# UNIT 3 PLANNING A HOLIDAY

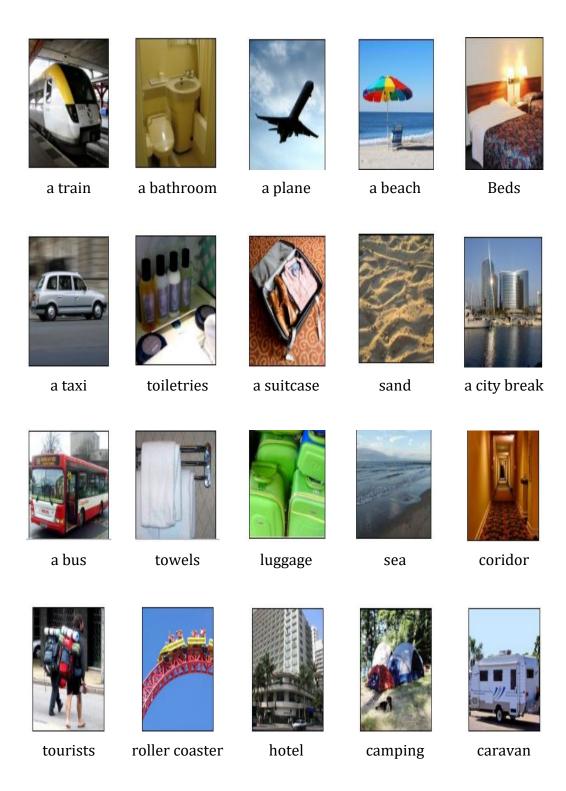

# **Practice 1.** Read the text below and match the picture with the words to complete the gaps!

Airin and her friends want to go on holiday together. They have looked at some holiday brochures, but aren't sure what kind of holiday they want to go on. They will go to Tokyo, Japan. We must prepare the itinerary well, because we have different preference about going holiday.

Airin likes city breaks and theme parks the best, but she doesn't like camping. All her friends like beach holidays, but her friend Mohammed doesn't like city breaks. Her friend Pavel likes city breaks the best, but he also likes camping and theme parks too. We hope Japan will cover our wishlists.

Here are some English words we use for travelling and going on holiday.
